Entry Times We have again set entry times in order that we can provide a good quality meet which encourages the young inexperienced swimmers. As in previous years our aim remains the same and we will not be entering the more experienced swimmers from our own club in this competition (even if they have a qualifying time), we hope that other clubs will follow our lead and keep in the spirit of the meet's aims.

Please note that any swimmer who has, at any time prior to the entry cut off date, achieved a time faster than the cut off times listed below must not be entered for that particular event. Should it come to light that this meet rule has been ignored Westhill District ASC reserve the right to take action against the offending club and swimmer(s) - this may be prior to, during or after the meet.
